Internal Quality Assurance Cell(IQAC)

Annual Report

Academic Year 2018-2019

We are pleased to present the Annual Report of the Internal Quality Assurance Cell (IQAC) for the year 2018-19. The IQAC serves as a vital component of our institution's commitment to enhancing the quality of education, research, and administrative processes. This report offers a comprehensive insight into our ongoing efforts to ensure and improve the quality of our institution's operations.

1. Faculty Development Programs (FDPs):

The institution conducted several Faculty Development Programs throughout the academic year 2018-19. These programs aimed to enhance the teaching skills and knowledge of our faculty members. A total of 12 FDPs were organized, covering topics such as innovative teaching methods, assessment strategies, and technology integration. The participation of faculty members exceeded 50% of the total faculty strength, resulting in improved teaching practices.

2. Workshops, Seminars, and Guest Lectures:

Ten workshops and eleven seminars were organized on a wide range of topics, including emerging trends in various academic disciplines. Eminent guest speakers and experts were invited to deliver guest lectures, enriching the learning experience of both students and faculty. These events promoted intellectual discourse and kept the academic community engaged.

4. Research and Development (R&D) Activities:

The institution continued to emphasize research and development. Faculty and students collaborated on two research projects, resulting in 21 publications in reputed journals and no patents. These endeavors contributed to the institution's academic reputation and helped address various research challenges.

5. Training and Placements:

The Training and Placement Cell of PVKKIT worked tirelessly to facilitate the successful placement of our students. Ten percent of eligible students secured placements in reputed companies, reflecting the quality of education and training provided by the institution. Additionally, various pre-placement training programs were conducted to enhance students' employability.

6. Career Guidance:

Career guidance sessions were organized to help students make decisions about their future. These sessions included personality assessments, counseling, and guidance on career prospects in different fields. Such initiatives empowered students to set clear career goals.

8. College Events:

The institution organized various cultural, sports, and extracurricular events to promote a holistic development approach.

- **Fresher's Day:**

Fresher's Day at PVKKIT is a vibrant and joyous occasion dedicated to welcoming the new batch of students. This event was celebrated on August 8, 2018. It offers a perfect opportunity for the freshmen to showcase their talents and creativity. The event is typically organized by senior students and faculty members who work together to make it a memorable experience for the newcomers. Fresher's Day fosters a sense of camaraderie and helps students feel part of the PVKKIT family from the very start of their journey.

- **Annual Day:**

PVKKIT's Annual Day, celebrated on March 12, 2019, is a grand celebration of the institution's achievements and the talents of its students. It is a much-anticipated event where students from various courses showcase their artistic, cultural, and technical prowess. The day is marked by

colorful and entertaining performances, including dance, music, drama, and skits. Faculty members, staff, and students come together to create a spectacular show. This event serves as a reminder of the institution's commitment to fostering holistic development and encourages students to pursue their passions alongside their academic pursuits.

These events collectively contribute to the vibrant and inclusive atmosphere at PVKKIT, making the institution a place where students not only receive quality education but also have the opportunity to engage in cultural, social, and artistic activities that enrich their overall college experience.

Conclusion:

Over the course of the previous academic year, we have witnessed remarkable accomplishments and advancement across several domains. Our steadfast dedication to quality education and ongoing enhancement remains resolute. The IQAC, in close cooperation with diverse stakeholders, persists in upholding the institution's exemplary standards and providing a comprehensive educational journey.
