

Internal Quality Assurance Cell (IQAC)

Annual Report

Academic Year 2019-2020

We are delighted to share with you the Annual Report of the Internal Quality Assurance Cell (IQAC) for the year 2019-20. At the heart of our institution's unwavering dedication to excellence in education, research, and administrative functions, the IQAC stands as a cornerstone. This report provides an all-encompassing view of our continuous endeavors to uphold and elevate the quality of our institutional operations.

1. Faculty Development Programs (FDPs):

The institution conducted several Faculty Development Programs throughout the academic year 2019-20. These programs aimed to enhance the teaching skills and knowledge of our faculty members. A total of 15 FDPs were organized, covering topics such as innovative teaching methods, assessment strategies, and technology integration. The participation of faculty members exceeded 50% of the total faculty strength, resulting in improved teaching practices.

2. Workshops, Seminars, and Guest Lectures:

Twenty-one workshops and twelve seminars were organized on a wide range of topics, including emerging trends in various academic disciplines. Eminent guest speakers and experts were invited to deliver guest lectures, enriching the learning experience of both students and faculty. These events promoted intellectual discourse and kept the academic community engaged.

3. Student Chapter Activities:

Our Student Chapters actively participated in a variety of activities. The PVKK Student Chapter organized five events, including technical competitions, awareness campaigns, and outreach programs. These initiatives helped students apply theoretical knowledge in practical contexts and fostered a sense of social responsibility.

4. Research and Development (R&D) Activities:

The institution continued to emphasize research and development. Faculty and students collaborated on five research projects, resulting in thirty-two publications in reputed journals and three patents. These endeavors contributed to the institution's academic reputation and helped address various research challenges.

5. Training and Placements:

The Training and Placement Cell of PVKKIT worked tirelessly to facilitate the successful placement of our students. Twelve percent of eligible students secured placements in reputed companies, reflecting the quality of education and training provided by the institution. Additionally, various pre-placement training programs were conducted to enhance students' employability.

6. Career Guidance:

Career guidance sessions were organized to help students make decisions about their future. These sessions included personality assessments, counseling, and guidance on career prospects in different fields. Such initiatives empowered students to set clear career goals.

7. Online Classes:

The transition to online classes in response to the global pandemic was smooth and effective. A robust online learning platform was implemented, ensuring that students could continue their education without disruptions. Faculty members adapted to online teaching, and students received ongoing support and resources to aid their learning experience.

8. College Events:

The institution organized various cultural, sports, and extracurricular events to promote a holistic development approach.

- **Orientation Program:**

The Orientation Program at PVKKIT is a pivotal event at the beginning of the academic year. It is designed to welcome newly admitted students to the college's environment, culture, and academic expectations. The program provides a comprehensive introduction to the institution's policies, academic programs, faculty, and support services. During the orientation, students are introduced to the core values and ethos of PVKKIT, fostering a sense of belonging and shared vision. The program also serves as a platform for students to interact with faculty, staff, and their fellow students, helping to build a strong foundation for their academic journey.

- **Fresher's Day:**

Fresher's Day at PVKKIT is a vibrant and joyous occasion dedicated to welcoming the new batch of students. This event was celebrated on August 12, 2019. It offers a perfect opportunity for the freshmen to showcase their talents and creativity. The event is typically organized by senior students and faculty members who work together to make it a memorable experience for the newcomers. Fresher's Day fosters a sense of camaraderie and helps students feel part of the PVKKIT family from the very start of their journey.

These events collectively contribute to the vibrant and inclusive atmosphere at PVKKIT, making the institution a place where students not only receive quality education but also have the opportunity to engage in cultural, social, and artistic activities that enrich their overall college experience.

Conclusion:

The academic year that has just concluded has been characterized by remarkable achievements and advancements across a spectrum of areas. Our unwavering commitment to quality education and continual enhancement remains steadfast. The IQAC, working closely
