

## Internal Quality Assurance Cell (IQAC)

### Annual Report

#### Academic Year 2022-2023

It is with pleasure that we present the Annual Report of the Internal Quality Assurance Cell (IQAC) for the year 2022-23. The IQAC symbolizes the collective commitment of our institution to elevate the quality of education, research, and administrative functions. This report offers a panoramic view of the collaborative endeavors that underpin our ongoing mission to ensure and enhance the quality of our institution's operations.

#### 1. Faculty Development Programs (FDPs):

Throughout the academic year 2022-23, the institution conducted several Faculty Development Programs (FDPs). These programs were designed to enhance the teaching skills and knowledge of our faculty members. A total of 22 FDPs were organized, covering topics such as innovative teaching methods, assessment strategies, and technology integration. The participation of faculty members exceeded 55% of the total faculty strength, resulting in improved teaching practices.

#### 2. Workshops, Seminars, and Guest Lectures:

In this academic year, we organized 32 workshops and 13 seminars on a wide range of topics, including emerging trends in various academic disciplines. Eminent guest speakers and experts were invited to deliver guest lectures, enriching the learning experience of both students and faculty. These events facilitated intellectual discourse and maintained the engagement of the academic community.

#### 4. Research and Development (R&D) Activities:

The institution continued to emphasize research and development. Faculty and students collaborated on nine research projects, resulting in 23 publications in reputed journals and four patents. These endeavors significantly contributed to the institution's academic reputation and helped address various research challenges.

## 5. Training and Placements:

The Training and Placement Cell of PVKKIT worked tirelessly to facilitate the successful placement of our students. In this academic year, 15% of eligible students secured placements in reputed companies, reflecting the quality of education and training provided by the institution. Additionally, various pre-placement training programs were conducted to enhance students' employability.

## 6. Career Guidance:

To assist students in making informed decisions about their future, we organized career guidance sessions. These sessions included personality assessments, counseling, and guidance on career prospects in different fields. Such initiatives empowered students to set clear career goals.

## 8. College Events:

The institution organized various cultural, sports, and extracurricular events to promote a holistic development approach.

- **Orientation Program:**

The Orientation Program at PVKKIT remains a pivotal event at the beginning of the academic year. It is designed to welcome newly admitted students to the college's environment, culture, and academic expectations. The program provides a comprehensive introduction to the institution's policies, academic programs, faculty, and support services. During the orientation, students are introduced to the core values and ethos of PVKKIT, fostering a sense of belonging and a shared vision. The program also serves as a platform for students to interact with faculty, staff, and their fellow students, helping to build a strong foundation for their academic journey.

- **Fresher's Day:**

Fresher's Day at PVKKIT is a vibrant and joyous occasion dedicated to welcoming the new batch of students. This event was celebrated on December 21, 2022. It offers a perfect opportunity for the freshmen to showcase their talents and creativity. The event is typically organized by senior students and faculty members who work together to make it a memorable experience for the newcomers. Fresher's Day fosters a sense of camaraderie and helps students feel part of the PVKKIT family from the very start of their journey.

# PVKK INSTITUTE OF TECHNOLOGY

Approved by AICTE, New Delhi, Affiliated to JNTUA, Anantapuramu.  
(Established under Sri Balaji Educational Society, Anantapuramu)

These events collectively contribute to the vibrant and inclusive atmosphere at PVKKIT, making the institution a place where students not only receive quality education but also have the opportunity to engage in cultural, social, and artistic activities that enrich their overall college experience.

## Conclusion:

The recently concluded academic year was distinguished by notable achievements and advancements in diverse areas. Our institution's commitment to providing quality education and continually enhancing our offerings remains steadfast. The IQAC, in close collaboration with a wide range of stakeholders, plays a pivotal role in maintaining the institution's high standards and delivering a comprehensive educational experience.
