

Faculty as Keynote Speaker at National Symposium

The Department of Humanities and Sciences is proud to highlight that Dr. G. Ramya, faculty member of PVKKIT, served as a Keynote Speaker at a One-Day National Symposium on “Quantum Computing and Applications in Mathematics & Statistics (NSQCA-2K26)”, organized by Sri Venkateswara Degree & P.G. College on 10th April 2026. During the symposium, Dr. Ramya delivered an insightful address on emerging trends and applications of quantum computing in mathematical sciences, enriching the knowledge of participants from various institutions. Her contribution as a keynote speaker reflects her academic expertise, research orientation, and commitment to knowledge dissemination. The institution congratulates Dr. G. Ramya on this distinguished achievement and appreciates her efforts in enhancing the academic reputation of PVKKIT.
