

# Faculty Honored as Journal Reviewer

The Department of Humanities and Sciences is proud to announce that Dr. R. Ramakrishna Prasad, faculty member of the institution, has been recognized as a valued reviewer for the International Journal of Engineering Research & Technology (IJERT) for the year 2026. This recognition highlights his significant contribution toward maintaining the quality and academic standards of the journal through his dedicated review work. The certificate of appreciation was awarded on 7th April 2026, acknowledging his expertise and commitment to scholarly evaluation.
