

# *Empowering Careers Through Personalized Resume Crafting*

The Department of Humanities and Sciences proudly highlights the contribution of Mr. Anand Dampella, who served as a Resource Person for a One-Day Workshop on Resume Writing organized by Raghavendra Institute of Pharmaceutical Education & Research (RIPER), Autonomous on 18th April 2026. The workshop, conducted for post-graduate students, focused on the theme “Beyond the Template: Personalizing Your Professional Story.” The session aimed to equip students with the essential skills required to create impactful and customized resumes that align with industry expectations.

During the workshop, Mr. Anand Dampella delivered an engaging and insightful session, emphasizing the importance of presenting one’s skills, experiences, and achievements effectively. He guided students on structuring resumes, avoiding common mistakes, and tailoring content to suit specific career goals. The session was highly interactive and well-received by participants, providing them with practical knowledge to enhance their employability. His contribution reflects a strong commitment to student development and career readiness, bringing recognition to the institution.
