

Faculty Excellence: Advancing Pedagogical Innovation through

AI

We are proud to announce that **Nusrat**, a distinguished faculty member from the **Humanities and Basic Sciences** department, has successfully completed a professional **Faculty Development Program on "AI Enhanced Educational Technologies"**. Organized by the Department of **BCA** at **HKBK Degree College** in association with **Pencilbitz**, this program held on **April 25, 2026**, focused on integrating cutting-edge artificial intelligence into modern teaching methodologies. By achieving this certification, **Nusrat** demonstrates a proactive commitment to academic excellence and the adoption of digital tools that will further enrich the learning environment for our students.
