

Christmas Celebration: On December 20th, 2024, our campus came alive with festive energy as we gathered for our Pre-Christmas Celebration. It was a day filled with joy, laughter, and community spirit, marking the perfect start to the holiday season. One of the standout highlights of the celebration was the Christmas carol performances, which brought a magical atmosphere to the event. The soulful melodies and festive tunes filled the air, uniting everyone in the warmth of the season. One of the most touching moments of the day was the drama performance by our students, which brought to life the story of Jesus' birth. The students performed with great passion and dedication, portraying the nativity story in a meaningful and moving way.
